And Now, Christmas

CHRISTMAS is next, and but thirty days away. They will be thirty important days. Already the holiday business is making itself prominent. and the store machinery is getting to speed.

Nothing tests a store like its holiday business. Every wheel in the machine is under stress. If there are faults, they will develop now. Safety lies in preparation, and you can scarcely realize how extensive our preparation has been.

We do not dare to say that we have eliminated all faults, but we have searched closely. If you find any that we have missed, will you give us the benefit of your discovery?

Store-service is not all. There is the stock. In this regard we do not qualify our claims. There is but one other stock like it in this country, -- and that is in Philadelphia.

It is only a ques-Women's tion of getting fit-Tailor-made ted. The styles of Suits prices are lower than they should be.

If there were more or the suits they'd be higher priced. But there are only two or three to a style.

One Thousand Women's Desks
This is distinctly a holiday hint, and it will be one readily taken. The desks are good ones, the desks are cheap, and a thousand isn't nearly so many as it seems. These will not last until Christmas, or anywhere near twos of the Christmas, counting by days.

It's a very good assortment, indeed, both in styles and in prices. Five dollars buys a really handsome desk, with nothing botchy nor mean about its workmanship. There are six or eight styles priced under ten dollars.

Other prices run up to \$126. Among these is a beautiful lot of marqueterie desks, both of foreign and domestic makes.

56 styles of Oak Desks, \$5 to \$112. 26 styles of Maple Desks, \$8 to \$36.50. 25 styles of Birch Desks, \$6 to \$17.50.

66 styles of Mahogany Desks, \$7.50 to \$126. 7 styles of Imitation Mahogany Desks, \$6 to 20 styles in other finishes, priced to \$126. Fourth floor.

Choose your style,-Couches there are sixty-five of them to choose from. Please yourself as to price,-the range is from \$7.50 to \$66.

Most of these we make up expressly for you,-you selecting the style and the covering from samples that we show. Some of these are already in stock, and have been there in use as samples, rather too long. Only one of a kind, and priced this way: -

Miscellaneous.

The Culmination

of the Challenge Sale.

It's nearly here. Only two more days left. We've planned glorious ending for it, and at the blare of the Challenge Horn. Friday, there will come tumbling from their usual places a multitude of values, immense enough to satisfy even bargain-loving New York. There's to be great "doings" here to-day—Bargain Friday receiving uncommon emphasis by the impetus given it through Challenge Sale influences. Be sure to be in at the finish; you'll have no cause for regrets.

During CHALLENGE SALE there have been great "goings on" in this busy part of the BIG STORE. Prices have fallen, slipped and tumbled as never before in the history of the etore. Highborn quality has been everlastingly offended by intimate association with low prices—such is the power of the CHALLENGE SALE.

But the greatest values are yet to follow. Here But the greatest values are yet to follow. Here is one of them—for Friday's sale:

A Grand Clearance OF ALL THE ODDS AND ENDS OF WOMEN'S TAILOR-

We have just 125. We wish there were more, and so will you when you see them. The material, the style, the cut, and the finish—all are irreproachable.

proachable.
You may have your choice of fly-front, tight-fitting or double-breasted styles. The Jackets are lined throughout with silk. The Skirts, cut plain or made with a graceful flounce, are lined with percaline. It will be plain even to the novice that the cheapest suit in the lot is worth at least \$12.00. while there are many which have heretofore worn \$27.50 price tickets. However, it's Challenge Sale. therefore your choice of the entire 125 suits Friday at three Challenge Prices:

\$7.45. \$10.00 and \$15.00.

A Special Jacket Sale.

These Jackets are tailor-made—you could tell that a mile away. The material is fine Kersey, silk lined throughout, and strap seam trimmed. Ordinarily these Jackets bring \$15.00. And are worth it, too. Today, choice at the challenge price of 8.75 Fur Specials.

The first is a Collarette, a jaunty, saucy affair, made of fine Oposaum. There is a Muff to match, lined with a better quality of satin than you will expect; anywhere else the price ticket would be \$12.00; here to-day at the challenge price of. 8.50 The second is also a Collarette, made of fine Krimmer, lined with brocaded silk and exactly as good in style, durability and beauty as any \$10 article you could buy elsewhere; challenge price, to-day 6.00

A Very Uncommon

Blanket Opportunity.

The story in a nutshell is simply this:
One of America's best blanket makers
needed money so badly that he was
practically compelled to sell a magnificent lot of blankets at a sacrifice price in order to get spot cash.

cent lot of blankets at a sacrifice price in order to get spot cash.

Now, 86 cases of Blankets is a very large lot at any time—there are 75 pairs in each case—and 6,450 pairs of blankets are rather more than any one store could very well use even early in the season. But at this time of the year, with the blanket stocks practically untouched on account of the backward season, we dare say there is not another house that would have cared to buy so much. And that is just why we succeeded in buying them so very remarkably cheap.

To-day (Friday) the sale begins, and will perhaps end, too; for, large as the lot is, the price we can now afford to name would move a mountain of blankets, even in summer time.
